# FOURTH PLAIN SUMMER OF MURALS MAP

SUMMER  
OF MURALS

Since 2017, the Fourth Plain Summer of Murals project has invited competitive submissions for murals that reflect the diverse cultural heritages of the area's residents, and celebrate international food, culture, music, and art of Fourth Plain Boulevard, Vancouver's "International District".

The City of Vancouver, Clark County Mural Society and Fourth Plain Forward partner with residents, businesses and property owners to select walls and the art that will adorn them, as well as donate supplies and raise funds. Artists are chosen from near and far to bring their visions to life and brighten our public spaces.
